ceremony venues

rainforest amphitheatre

your guests will become one with the landscape when they enjoy the calm and serenity of the architecturally designed rainforest amphitheatre. it is fringed by a cascading waterfall and is cocooned in a rainforest through which beautiful cedar creek tumbles. a trickling canal forms an aquatic link between the stage and the amphitheatre with a timber bridge tying the two spaces together. gently scented jasmine columns – all with twinkling fairy lights – add to the grandeur and significance of the moment.

seating capacity is 80 on the amphitheatre's cushioned tiers. chairs can be added on the stage for a maximum of 150 seated guests.

the circles

a sandstone bordered walkway which skirts a hedgeline pathway leading to a timber platform. coloured boulders form the striking backdrop to the gently flowing waterfall that trickles into a diminutive pond filled with irises and lilies. a timber bridge straddles this very pretty pond and leads back down to one of the three generous circles. the giant tipuana tree's yellow blossoms have influenced the soft colour palette of ochre and sandstone. the platform sits within its shadow, creating a calm and reflective aura.

seating capacity is 32 on white tiffany chairs. additional chairs can be arranged (fees apply).

ceremony includes

- black cushions on steps (rainforest amphitheatre only)
- 32 x white tiffany chairs (the circles)
additional chairs \$2.50 each
- registry signing table with 2 x white tiffany chairs for the couple

*ceremony fee: complimentary when booked with a
reception package*

*ceremony only: \$2500.
includes use of grounds for photos (2 hour package)*

pre-reception venues

lawn bar

a vintage caravan has been lovingly restored and converted into a stylish lawn bar. it sits in a private grassed courtyard, which has tables and chairs, high bars and stools, and umbrellas. the 'bar' itself has a hot pink modern take on a neon love-heart on the roof, a colourful floral wallpapered internal roof with brass pendant lights. a two-person swing hangs nearby from an overarching tree for another photographic opportunity.

included with reception bookings at the island glade

sanctuary deck

the sanctuary spills out onto the circles with its sandstone bordered walkway which skirts hedge lined gardens, leading to a timber platform. beautiful by day, brilliant by night a roaring fire cocooned within a magical black iron fire pit. complete with a timber platform, 3 giant circles, a trickling waterfall, and a timber bridge straddling a very pretty pond, the circles makes for a stunning alfresco experience, day or night.

included with reception bookings at the sanctuary

rainforest lounge bar

the rainforest lounge bar is an elegant space that also encompasses a gorgeous nook, known as cosy corner, where small gatherings can enjoy its stunning décor and 'cosy' atmosphere. the rainforest lounge bar also opens out onto a lovely courtyard, complete with its own fire pit set within an elevated rockery. inside the lounge bar there is a pool table and a wood fireplace set within creatively styled soft furnishings.

included with reception bookings in miner's lantern

reception venues
