### MONDAY

#### GUIDED WALK & SCAVENGER HUNT

Join our Environmental Coordinator for a guided bush walk, packed with fun facts about local ecosystems. Get ready for a nature scavenger hunt in the rainforest!

Required: Closed in shoes and water bottle

### TUESDAY | DIY BEE HOTEL

Utilising the reduce, reuse and recycle mantra we will use recycled goods and natural bits and bobs to create a Native Bee Hotel that you can use to entice native pollinators to your gardens at home!

### WEDNESDAY | NATURE INSPIRED POTTERY

Let's unleash creativity with air-dry clay inspired by nature! No need for firing - your creations are ready as soon as they dry. Make leaf-printed plates, rainbow lorikeets, or anything else your imagination desires!

### THURSDAY | DIY PROPAGATION STATION

What is propagation!? It is one of the simplest ways to create new plants! Design your water jar and then propagate your very own plant baby!

### FRIDAY | NATURE PAINTING

Find your inner Bob Ross and paint some of the beautiful scenery which we are amongst! Or create a self portrait or paint your pet or best friend! Get creative!

### SATURDAY | LOOM BANDS

Create your very own jewellery using loom bands! Pick your favourite colours and make a bracelet for yourself or for a gift!

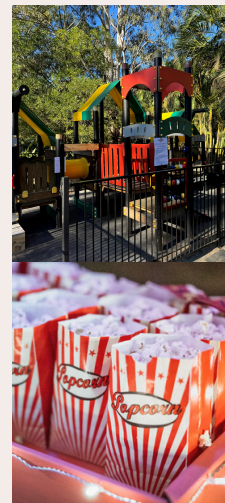

### SUNDAY | ROCK PAINTING

Craft everlasting art with nature! Rocks make a beautiful canvas. Take yours home for indoor or outdoor decoration, or add it to our Thunderbird Park Legacy garden beds!
