Ceremony Venues

Rainforest Amphitheatre

Your guests will become one with the landscape when they enjoy the calm and serenity of the architecturally designed Rainforest Amphitheatre. It is fringed by a cascading waterfall and is cocooned in a rainforest through which beautiful Cedar Creek tumbles. A trickling canal forms an aquatic link between the stage and the amphitheatre with a timber bridge tying the two spaces together. Gently scented jasmine columns – all with twinkling fairy lights – add to the grandeur and significance of the moment.

Seating capacity is 80 on the Amphitheatre's cushioned tiers. Chairs can be added on the stage for a maximum of 150 seated guests.

The Garden

The Garden is a private grassy knoll bordered by hedges on three sides. It is beautifully manicured and is most picturesque with its rainforest and eucalypt backdrops. It is a perfect space for intimate ceremonies and, if there is a requirement to have a much loved car or other meaningful large object as part of the ceremony, it has the ability to have these easily included. It also shares this area with The Garden Bar, which is at the ready to serve drinks to guests at any time.

Seating capacity is 32 on white tiffany chairs. Additional chairs can be arranged (fees apply).

The Circles

A sandstone bordered walkway which skirts a hedged lined pathway leading to a timber platform. Coloured boulders form the striking backdrop to the gently flowing waterfall that trickles into a diminutive pond filled with irises and lilies. A timber bridge straddles this very pretty pond and leads back down to one of the three generous circles. The giant tipuana tree's yellow blossoms have influenced the soft colour palette of ochre and sandstone. The platform sits within its shadow, creating a calm and reflective aura.

Seating capacity is 32 on white tiffany chairs. Additional chairs can be arranged (fees apply).

Ceremony Includes

- Black cushions on steps (Rainforest Amphitheatre only)
- 32 x White Tiffany Chairs (The Garden or The Circles) additional chairs \$2.50 each
- Registry signing table clothed in white

Ceremony Fee: complimentary when booked with a reception package

Ceremony Only: \$1200. Includes use of grounds for photos (2 hour package)

Pre- Reception Venues

Lawn Bar

A vintage caravan has been lovingly restored and converted into a stylish Lawn Bar. It sits in a private grassed courtyard, which has tables and chairs, high bars and stools, lawn rugs, plush oversized cushions, and umbrellas. The 'bar' itself has a hot pink modern take on a neon love-heart on the roof, a colourful floral wallpapered internal roof with brass pendant lights. A two-person swing hangs nearby from an overarching tree for another photographic opportunity.

Included with reception bookings at the Island Glade or The Sanctuary

Sanctuary Courtyard

The Sanctuary spills out onto The Circles with its sandstone bordered walkway which skirts hedge lined gardens, leading to a timber platform. Beautiful by day, brilliant by night with festoon and fairy lit spaces and a roaring fire cocooned within a magical black iron fire pit. Complete with a timber platform, 3 giant circles, a trickling waterfall, and a timber bridge straddling a very pretty pond, The Circles makes for a stunning alfresco experience, day or night.

Included with reception bookings at The Sanctuary

Rainforest Lounge Bar

The Rainforest Lounge Bar is an elegant space that also encompasses a gorgeous nook, known as Cosy Corner, where small gatherings can enjoy its stunning décor and 'cosy' atmosphere. The Rainforest Lounge Bar also opens out onto a lovely courtyard, complete with its own fire pit set within an elevated rockery. Inside the lounge bar there is a pool table and a wood fireplace set within creatively styled soft furnishings.

Included with reception bookings in Miner's Lantern

Reception Venues

Island Glade

The captivating architecturally designed Island Glade is surrounded by lush rainforest on the edge of Cedar Creek's translucent tumbling waters. By day, this enchanting venue is softly lit by sunlight within a surrounding chorus of birdsong. At night, fairy lights glow through giant jasmine-clad pillars and then form swathes across elevated roof tiers. The diamond shaped fire pit is all set to be ablaze, the candles are waiting to be luminous and the bar is stocked and is at the ready for the wonderful night of celebration that awaits.

Venue Capacity: 150 seated and 300 cocktail
Minimum Numbers: Saturday: 70 adults
Sunday - Friday: 50 adults

The Sanctuary

The elegance of The Sanctuary with its chandeliers – there are nine – a glorious open fireplace and magnificent rainforest vistas through glass paneled French doors, speak to the building's colonial legacy, but with a contemporary flair. The look is luxe – all white with black touches. There are bay windows with diamond cushioned seats, a marble topped fully stocked bar, a two-tiered verandah, a paved courtyard complete with a festoon lit open fire pit, the 'reflection pond', manicured entry gardens and a rose-clad fairy lit pergola.

Venue Capacity: 100 seated and 170 cocktail
Minimum Numbers: Saturday: 70 adults
Sunday - Friday: 50 adults

Miners Lantern

Upon entering the Miner's Lantern through double wooden doors leading from The Gallery, there is a sense of WOW. Its atmosphere has drawn inspiration from the magnificent artworks, leather chesterfield couches, mahogany antiques, and a rock open fireplace. The room offers a warm and welcoming vibe and is the quintessential relaxed and elegant private function space. It also opens out to a spacious courtyard with majestic fairy-lit ironbark trees and an open wood fire pit.

Venue Capacity: 50 seated and 70 cocktail
Minimum Numbers: Saturday: N/A
Sunday - Friday: 20 adults
